## ABOUT

---

I have full experience from working in pre-production to post as a producer or 3D/FX Artist.

I love seeing the final product after going through the Pre-Pro, Production and Post. Having everyone being part of a piece of work that is memorable and groundbreaking!

I am able to be part of a team and to work as an individual if the project requires it. I am determined, passionate and dedicated to the project and people I work with.
